The first of the villas at Altaona Golf and Country Village balance the horizon that surrounds them. They stand on tiptoe on the first floor to show the golf course, approaching it with a minimalist perspective. The feeling of freedom abounds in all its rooms, as well as from its gardens.

Horizon has an overlook-style structure that rises above the pool and faces the golf courses. Its interiors make resting the most precious moment of the day.

Its upper terrace, flanked by bamboo, is an ideal place to lie in the shade and gives privacy to the bathing area, which is surrounded by the leafy garden.
