Off plan architect designed ultra modern style villa available on a selection of plots in the lovely La Romana area. Only four plots available.

All villas are built on legal 10.000m plots with water and electric. The price is for the villa as shown in the photographs and does include a swimming pool of 8x4m.

The price includes the architect project, licenses and permits from the local town hall. Show house is available for you to inspect the build and qualities.

The builder has a variety of designs available, so if you are looking for a more traditional design of villa these are available as well.
