Villa Campo has a modern and minimalist design but exudes a strong personality, large spaces, all on the same floor, provide an impressive villa with optimal livability and accessibility. The architectural profile of the roof with its simple yet expressive lines accommodates the solar panels that provide the house with energy, for a reduced and more sustainable energy effect. The beautiful sun terrace covers the entire roof of Villa Campo and has a surface of almost 200 m². From here you can enjoy spectacular views over the golf course, the surrounding mountains and the endless landscape in the distance
