 complete air conditioning installation

 all kitchen appliances

 electric shutters

These villas are built in two floors with a roof terrace. From the living room you have access to the lovely garden. Depending on the house number, you have one or two terraces on the plot. The rest of the area is covered with artificial grass. And when you move in, you'll find at least one full-grown palm tree in the garden. The villas are located just 300 meters from the beach in Torre de la Horadada. Here you can enjoy numerous sandy beaches and all kinds of amenities such as supermarkets, bars, shops, supermarkets and a beautiful marina.
