complete air conditioning installation

all kitchen appliances

built-in wardrobes

This Ibiza style house is set on a plot on the edge of a farmland, so the fantastic sea and mountain views will never be obstructed by future buildings. The house is rotated at 45° to maximize the available hours of natural sun lighting in the outdoor area of the pergola and pool.

The house has a spacious living-dining-kitchen with a central cooking island.

This Ibiza-style villa is also available with a basement at €555,000
