This modern villa will be built in one of the most beautiful areas of southern Spain, Los Alcázares. They are just 1 km from the beach and 300 m from all services and amenities such as restaurants, bars, supermarkets and the promenade of Los Narejos.

On this new site there will be a variety of small and large townhouses with a wide selection of specifications and extras.

All villas are built to a high standard and have space for a private pool. A swimming pool with dimensions 2.5 x 4.5 m can be built for an additional cost of 10,000 €.
