We proudly present a unique opportunity to choose from different models of villas, both modern and Spanish style, located in the beautiful regions of Aspe, La Romana, Novelda and Hondon. There is a wide choice of homes with 2, 3, or 4 bedrooms and 2 or 3 bathrooms, with the option of a separate toilet. These villas can be built both in the countryside on plots of at least 10,000 m², or in an urbanization on plots of approximately 500 m², depending on the availability of plots at the time.

The prices of the villas do not include the cost of the plot, but offer flexibility and freedom of choice to realize your dream home.
