An exclusive residential complex in the Macenas Mediterranean Resort, with breathtaking views of the Mediterranean Sea. It offers 125 modern homes, ranging from one to three bedroom apartments, to penthouses and ground floor apartments with private gardens and the possibility of a private swimming pool.

In the resort itself you will also find a Social Club with various amenities, such as restaurants, a sports centre, shops and a wellness centre. For golf lovers, there is an 18-hole golf course, designed by Stirling & Martin, which stands out for the integration of native natural elements, creating a botanical garden along the entire route.
