 complete air conditioning installation

 private garage

 charging point for electric car

They offer panoramic views of the Benidorm skyline and combine high-quality finishes with sustainable features such as an aerothermal hot water system and solar pre-installation. The villas are ideally located close to beaches, golf courses and amenities, and have modern facilities such as a charging point for electric vehicles and energy class A certification.

Finestrat is located in the Marina Baixa region of the Costa Blanca, close to neighboring Benidorm and approximately 40 kilometers from the city of Alicante and its international airport. The village is located on the mountainside of Puig Campana and offers beautiful views of the mountains, the coast and the Mediterranean Sea. Benidorm is just a five-minute drive from the properties and offers all the amenities you need, such as shops, bars, restaurants, supermarkets, banks, pharmacies and several international private schools.
