There is a choice between a ground floor apartment with terrace and garden or a 1st floor with terrace and roof terrace.

This home is ideal for those looking for a rural setting, surrounded by nature, with all the comforts to enjoy community life or as a personal retreat.

With a team of building and design experts, our passion is to make every space reflect your personality and lifestyle, creating a unique and exceptional home. Your new home will be much more than just a home, it will be your sanctuary, your refuge and the place where your best memories are created.
